KAPITUS®
Equipment Finance

Finance Your Next Equipment Purchase

Financing your equipment allows you to get the most up-to-date, high-quality equipment you need **without the stress of exhausting your cash reserves**. Cover the cost over time with manageable monthly payments and still get the efficiency and competitive advantages that your new equipment will bring.

Who We Are

Kapitus Equipment Finance (KEF) is dedicated to delivering **fast and flexible** equipment financing solutions to help businesses acquire the equipment they need to stay competitive. KEF's parent company, Kapitus, has provided over **$7 billion** in capital to more than **65,000** small businesses. Kapitus has spent close to **two decades** providing financing to small business owners across the U.S. to help them meet their operations and growth needs.

Who We Finance

We work with a wide array of industries and businesses to connect business owners with financing products tailored to their individual needs. Let us show what we can do for you.

What We Provide

- Loan terms of **24** to **72** months
- Financing amounts starting at **$20K**, no max
- Application-only up to **$500K**
- Fast credit decisions and flexible terms
- Same-day funding. No down payment
- Seasonal and deferred payment options
- Potential tax advantages
- Working capital and credit lines available

All applications are subject to Kapitus Equipment Finance LLC's credit review, eligibility criteria, and final approval. Kapitus Equipment Finance provides financing for equipment acquisition and is not the manufacturer, seller, or distributor of the equipment. Accordingly, Kapitus Equipment Finance disclaims any representations, warranties, or guarantees, express or implied, regarding the equipment's condition, performance, merchantability, fitness for a particular purpose, or any other aspect. Loans offered or brokered by Kapitus Equipment Finance LLC in California are through Strategic Funding Source, Inc. d/b/a Kapitus, pursuant to California Finance Lenders License No. 603-G807.
