Bowie's Imperial 1500 is one of the greatest values on the market for large hydroseeding equipment. The large capacity tank, along with the super strong agitation, brings the large seeding jobs down to size in short order. Load water and your product with ease. There is no need to reverse the agitator to load and mix. Let the muscle of the **Bowie Imperial 1500** work for you. It can maximize your production and cut your labor costs. Compare this machine with any competitive machine on the market. It will out work and out last the others. Speak with your Bowie dealer and they will be happy to assist you in selecting the right options for you and your business. This is a heavy duty machine **"Built Strong...Built to Last"**
